Commissioner for Patents  
P.O. Box 1450  
Alexandria VA 22313-1450

**Commissioner:**

This paper is filed in response to the first Office Action, mailed November 2, 2004, in the above-identified application. The United States Patent and Trademark Office ("Office") imposed a restriction requirement. This restriction requirement, however, is erroneous. Because the restriction requirement fails to consider new claims presented by a preliminary amendment submitted August 13, 2004, the Assignee hereby requests reconsideration and withdrawal of this restriction requirement.
